

GOOD CLINICAL PRACTICE (GCP) REFRESHER

Introduction

In accordance with the requirement by the Medicines Control Council of South Africa all study personnel must refresh their knowledge and renew their GCP certificates every 3 years.

Course Overview

This course is a revision of Good Clinical Practice principles and processes for all clinical trial personnel who have previously attended GCP training. The course is interactive and discussion around current issues is encouraged.

Course Content

- Historical Overview of GCP
- Good Clinical Practice
- GCP Audits and Inspections
- Research Involving Genetic Studies
- Litigation in Clinical Trials
- Informed Consent Deficiencies
- Conflict of Interest
- Breach of Contract
- Compensation
- Class Action
- Topical Issues in Clinical Research
- Risk Based Monitoring

Accreditation and Registration

- Wits Health Consortium is a SACRA registered GCP training provider
- The course is HPCSA accredited— 2 CPD and 4 Ethics points
- This ICH E6 GCP Investigator Site Training meets the Minimum Criteria for ICH GCP Investigator Site Personnel Training identified by TransCelerate BioPharma as necessary to enable mutual recognition of GCP training among trial sponsors. <http://www.transceleratebiopharmainc.com/gcp-training-attestation/list-of-training-providers/>
